

# KCMTOA Advanced Sniper Training

## Spearpoint Ranch

1890 N. 215th Road, Barnard, KS 67418

**Duration:** April 9-13, 2018

**Cost:** \$420.00

**Rounds:** 500

Lodging (including bedding) and Meals included

Class is limited to 16 students per class

***This training is approved for 32 hours of Missouri POST training***

Building on the intermediate course the Advanced Sniper Course allows for in depth training in specific sniper disciplines. Each Day will feature extended training opportunities on the topics covered. This will allow attendees to refine and become comfortable with advanced sniper techniques. They will gain expert level knowledge in all aspects of the LE Sniper profession. Topics covered in depth include:

- Long range shooting- Target engagement out to 1000 yds.
- Range estimation and target engagement at unknown distances.
- Moving targets out to 200 yds.
- Shooting through barriers to include Vehicles and residential structures.
- Night Operations. Operating as an LE Sniper in low light conditions.
- Operational Simulation course- Conducting real world exercises to test the advanced snipers capabilities.
- Glass and barrier penetration.

### **Required Equipment**

- Precision Rifle
- All deployment gear
- Weather Gear
- Ear protection
- Water Container
- Night vision if issued
- Light Source

An intermediate sniper course or a basic course plus experience is required to attend this course.
